About Melissa Fouche:

Melissa joined Lone Star Furnishings in 2022. Raised in Oklahoma, she graduated with a degree in Secondary Education from Oklahoma State and got to Texas as quickly as possible! After beginning her teaching career with Cypress Fairbanks ISD in Houston, she moved to the Dallas Metroplex to get a little closer to home. She earned her master's degree in Educational Administration from the University of North Texas and finished her 30-year career in K-12 public education as the Chief Technology Officer in Frisco ISD. Her passion for creating agile, engaging student learning environments began years ago when transitioning wired computer labs and traditional libraries into future ready learning spaces.
